

By-Law Change – 9th July 2018

Change 8.17:

From: Substitutions may occur at any time prior to the time a frame is scheduled to be played, but in no way can this delay the start of the next **round** ie. Once a table becomes vacant the next scheduled frame is to be played. For clarification, substitutes cannot be made for frames that have been skipped

To: Substitutions may occur at any time prior to the time a frame is scheduled to be played, but in no way can this delay the start of the next **frame** ie. Once a table becomes vacant the next scheduled frame is to be played. For clarification, substitutes cannot be made for frames that have been skipped

Change 8.17.4

From: **Substitutions** may not play the same player more than twice. In the event that two substitutes are scheduled to play each other for a third frame in the same match night, the away team must change their substitution

To: **Substitutes** may not play the same player more than twice. In the event that two substitutes are scheduled to play each other for a third frame in the same match night, the away team must change their substitution
