2025 MEMBERSHIP FEES RESTRUCTURE

Dear EDPL Members,

We hope this letter finds you well. We would like to bring to your attention an important update regarding our affiliation and membership fees for the upcoming season.

In accordance with item 2.5 of the EDPL Constitution:

"With Executive Committee approval, affiliate with the duly recognised State, Commonwealth and/or other Bodies, Organisations and/or Associations having a range of aims and objectives similar to those of the EDPL Inc."

As part of this provision, we have reviewed our existing fee structure and made necessary adjustments to ensure our continued alignment with recognised governing bodies and associations.

Membership Fees Breakdown:

Originally, the membership fee was set at \$50.00, with \$12.00 going directly to Pool Victoria and the remaining \$38.00 allocated for EDPL registration.

Going forward, the revised fees are as follows:

- **\$50.00** payable to EDPL
- **\$10.00** to Play HQ registration to **Pool Victoria**
- Additional fees to **AEBF** based on National participation:
 - **\$15.00** if you have not played in Nationals in the last five (5) years (**Total: \$25.00**)
 - **\$35.00** if you have played in Nationals in last 5 years (**Total: \$45.00**)

These changes ensure that we remain compliant with all necessary affiliations while maintaining transparency in our fee structure. We appreciate your continued support and cooperation as we work to strengthen our association.

Examples of Fee Structure:

1. **Joe** plays at base level, has not played in National competitions, so his fees would be **\$25.00 (\$15.00 AEBF, \$10.00 Pool Victoria) to Play HQ and \$50.00 to EDPL.**
2. **Jane** has played Nationals in 2021, so her fees would be **\$45.00 (\$35.00 AEBF, \$10.00 Pool Victoria) to Play HQ and \$50.00 to EDPL.** This is because she has played in the State team within 5 years.

Play HQ is an app that you can pay different organisations in the one payment. AEBF have implemented this new system as a new easier way to collect fees.

We also want to remind our members that pool remains by far one of the most affordable sports to participate in. Beyond the financial aspect, there is no price you can put on your mental health and well-being. Being amongst friends and enjoying some recreational time out is invaluable.

Should you have any questions or require further clarification, please do not hesitate to contact us.

Thank you for your attention to this matter.

Best regards,
Eastern Districts Pool League (EDPL)
