¹ Only one proposed Constitution/Bylaw Point change per document unless all changes are relevant to the proposal. Where multiple changes are submitted as single document, a single No vote on one change nullifies the entire proposal.

² Do not highlight, bold, underline, italic, change colour etc of the changed wording.

³ To assist the efficiency of the voting process.

⁴ To assist members to make a decision before the AGM and expedite the voting process. This does not eliminate the ability to debate a proposal at an AGM before a vote is called.
